

COVID information: Please check the following link for current **travelling information** to Hungary: https://www.bud.hu/en/covid_19/information_on_entering_and_leaving_hungary Please note that these regulations might change before your travel, I kindly ask you to check the information regularly!

COVID measures on public transportation: you must wear a face mask covering your nose and mouth on all public transportation vehicles and in stops.

COVID measures at BME university: you must wear a face mask covering your nose and mouth in the closed areas (buildings) of the university. Vaccination is not required to enter the university.

At any other areas (inside the hostel, shops, etc.) it might be required to wear a mask, but there are no unified regulations in this regard at the moment. Please be prepared for any changes before your arrival and any time throughout the week.
