Remote/ On-site Marketing Internship:

General Information:

Duration: 2-3 months (period can be extended if needed)
Commitment: Part-time (20 hours/week) or Full time (35 hours/week)

Description:
Crafton is looking for interns that are willing to work and develop themselves in an international environment within the Erasmus+ program. In Crafton, we are storytellers, as we create stories about brands and help our customers to be part of it. We are looking for ambitious, eager to research and learn students. Not only do we look for interns that are interested in gaining departmental experience, but we want our interns to be willing to develop their communication skills in order to become better individuals. The internship is available both remote and on-site.

Possible tasks (in teams and/or individuals):
- Marketing projects
- Social Media management
- LinkedIn campaigns
- Analyzing new markets

What we offer:
- Opportunity to gain real-life experience within international business markets
- Practical usage of Marketing skills
- Possibility to develop and get promoted
- Warm and friendly atmosphere
- Young environment – where you can express your thoughts and come up with innovative ideas to implement within the company
- Opportunity to work with top global brands
- Opportunity to work in the highest ranked UX/UI agency in Poland
- Freedom of work
- Flexible work
- A recommendation by the company’s CEO

Compensation: No financial compensation
