Become a part of the NEWTON University international week!

About NEWTON University

NEWTON University is a private university specializing in modern education in management, marketing, economics, and psychology. It offers bachelor's and master's degree programs, as well as postgraduate studies. NU operates three campuses located in Brno, Prague, and Bratislava.

Thematic workshops

#Sustainability in Education - discover sustainable practices and innovative teaching for greener campuses.
#Artificial Intelligence - ignite innovation with AI for education and seamless publication.
#Internationalization - learn how to strenghten global cooperation and build more inclusive international campuses for students and staff.
#Research - join the EFP Conference on Thursday and Connect with fellow academics.
#Psychological Safety - build trust, open communication and a supportive environment.

Important information

The program will be delivered as a Blended Intensive Programme (BIP).
Participants are asked to contribute €100, which includes access to the social program and daily lunches. Participants from NEWTON partner institutions benefit from a reduced fee of €50. Accommodation is not included.

Why you should join us

- Gain new perspectives on education, research and collaboration and exchange best practices with international colleagues.
- Opportunity to attend the European Forum of Entrepreneurship Conference on Thursday. For more information, visit efp.cz
- Publication opportunities to share your research and contribute to academic knowledge. More information, on efp.cz
- Experience the best of Prague! From its unique cultural heritage to its dynamic and vibrant academic community.
