About NEWTON University

NEWTON University is a private university specializing in modern education in management, marketing, economics, and psychology. It offers bachelor's and master's degree programs, as well as postgraduate studies, including MBA, LLM, and MSc programs. NEWTON University operates three campuses located in Brno, Prague, and Bratislava.

About the programme

The BIP brings together two key areas of university administration:

International Mobility & Erasmus Cooperation – sharing good practices, practical experiences and approaches to the management of international mobility and strengthening cooperation between institutions.

Student-Centred Study Administration & Communication – exploring effective approaches to study administration, student communication and creating a more student-centred experience.

Important information

The program will be delivered as a Blended Intensive Programme (BIP).
Participants are asked to contribute 80 EUR towards the social program and daily lunches.
Accommodation is not included, but we are happy to assist you in finding suitable lodging near NEWTON University.

Why you should join us

Through practical workshops, discussions and experience-sharing, participants will exchange ideas, discover new perspectives and build valuable connections with colleagues from across Europe.

Our aim is to create a space for mutual inspiration, professional exchange and networking, while enjoying Brno's magical Christmas atmosphere.
