

Arrival information

Arriving by plane:

Upon arrival at Budapest Liszt Ferenc International Airport, you can reach your accommodation by public transport, taxi or airport shuttle. Public transport is available both during the day and at night. Your journey time will depend on your destination and the connections available.

Travelling from the airport by public transport

There are two bus services from the airport:

- **100E Airport Express:** This service operates 24 hours a day and provides a direct connection to the city centre. A separate airport shuttle bus ticket is required, currently costing **HUF 2,500**. Regular tickets and passes alone are not valid on this service. Holders of eligible passes can purchase a discounted add-on airport ticket through BudapestGO.
- **200E:** This service also operates 24 hours a day and accepts regular BKK tickets and valid Budapest passes. You will need to change to other public transport services to reach the city centre or your accommodation. Night-time connections differ from daytime routes.

We recommend using the **BudapestGO app** to plan your journey and check the available connections.

Further information: [Airport transport – BKK](#)

Important information about student passes: A foreign student ID alone is no longer sufficient to use a monthly student pass. Since 15 June 2026, eligible holders of foreign student IDs must also have official proof of a registered address in Hungary. A hotel or hostel booking confirmation is not the required document.

Check the detailed conditions here: [Monthly Budapest-pass for students](#)

Be careful! There is another one called “Monthly Budapest pass for Pupils” – this is only valid for elementary school pupils, DO NOT buy this one!

You can use a credit card to buy tickets and passes at BKK vending machines or at BKK Customer Service Desks (check pictures below). We do not suggest you to change currency at the airport, as they work with high rates. You can find many currency change offices in the city, or use your credit cards in most places.

Getting to Budapest University of Technology and Economics (BME)

BME12 and BME4 courses will be held in the main building of BME University, Building K.

Address: H-1111 Budapest, Műegyetem rakpart 3.
