Asia's World City

Hong Kong is one of the most vibrant cosmopolitan cities in the world. It is a leading international financial centre and ranks number one in the world for economic freedom. With its safe and convenient living environment, Hong Kong is a great place for education and career development.

The Heart of Asia

The city is ideally located within 4 hours of flight from the region's key financial markets, and 5 hours from half the world's population.

The Great Outdoors

Not only is Hong Kong famous for its endless skyscrapers, it is also a place of great natural beauty, where people can go hiking in the magnificent countryside, relax on pristine beaches, and visit any of the charming outlying islands.

Culturally Diversified

The city is fast-paced and exciting with over 7.5 million people. In this thriving East-meets-West metropolis, western life style mingles with ancient Chinese culture, and old traditions co-exist with the new.

Campus Life at CityU

CityU is home to over 7000 non-local students from over 80 countries/ regions. Conscious efforts have been made to enhance student integration and help exchange students gain the best out of their learning experience at CityU.
