We are committed to creating a stimulating, dynamic environment to ensure that you leave Mallorca with newly acquired, enhanced language skills, plus an insight into our history, culture and traditions. We take great pride in giving our students personal attention.

"A friendly office where everyone knows your name. Classes are small and curriculum adjusted to individual needs and preferences. Very flexible, you can take as many hours per day as you wish. School location is close to the central train/bus station and convenient for those as well who do not live in the city. Our professor, Antonio was very attentive, patient, encouraging and willing to modify his method of teaching based on individual needs. Palma is a beautiful and vibrant city so why not combine a vacation with a language learning experience!"
(Madeline Ferenzy, Canada 2019)

This is what makes ELE USAL MALLORCA different. ELE MALLORCA USAL is an accredited and examination center of Instituto Cervantes (DELE, CCSE, SIELE); accredited center for Bildungsurlaub training courses; and training center of the Tripartite Foundation. Learning Spanish with ELE USAL MALLORCA means far more than just taking a language course. You will be given every opportunity to experience

the cosmopolitan atmosphere of PALMA, Mallorca's capital. One must emphasize the city's magnificent climate, its enormous and beautiful beaches, without forgetting its historical and cultural relevance. I hope that for each one of you, your stay with us will not only be an opportunity to improve your language skills but also to meet people from around the world, explore the island of Mallorca and have a memorable experience.

You may well soon become one of the numerous students who regularly return to ELE USAL MALLORCA to meet old friends and further their Spanish studies. We look forward to welcoming you to Palma de Mallorca in the near future.

Welcome to the beautiful island of Mallorca

Mallorca (or Majorca) is the largest of Spain's Balearic Islands, with a long and fascinating history. Outside Palma, Mallorca's capital city, highlights include Valldemossa, Serra de Tramuntana and Sóller. In the north, Alcúdia has Roman remains, Cap Formentor offers breathtaking views, and there's the attractive town and port of Pollensa. In the southwest, visit Santa Ponsa, Andratx town and port, and the luxury marina of Puerto Portals. East coast resorts include Cala d'Or and the tranquil former fishing village of Porto Colom. The Mediterranean climate makes Mallorca a great destination for different types of holiday throughout the year and guides and tourist information are available on this site.

PALMA - The city of Palma has changed considerably, thanks to city planning and extensive renovation measures in the old town. The so-called 'pearl of the Mediterranean' is today more beautiful than ever, and the Mediterranean flair which attracts millions of visitors each year can be

felt in every corner. In 2015, 'The Sunday Times' named it the *"world's best place in which to live"*.

In the 19th century, the city experienced economic growth with the expansion of shipping businesses and an increase in the population.

During the 1950s mass tourism to the island brought some drastic changes. Mallorca became one of the top destinations for tourism in Spain. This booming tourism brought with it economic growth and high employment on the island.

In 1983 the Balearic Islands became one of Spain's autonomous regions, with Palma its capital. Millions of tourists visit the city of Palma each year and it is widely considered to be one of the most beautiful cities in Europe.

PUERTO DE SÓLLER - The remote Port de Sóller in north west Mallorca is a picturesque, small coastal village which has become well known and popular particularly due to its historic tram, large bay with protected harbour and scenic surroundings. As an old fishing harbour, it is also a great place to eat fish and seafood and the well-equipped marina is the perfect starting point for yacht and sailing trips to neighbouring bays such as Sa Calobra

VALLDEMOSSA - The town of Valldemossa is only around 15-20 minutes' drive from Palma de Mallorca into the Tramuntana mountains, but feels a world away from the capital. best-known as the place where the Polish composer Frédéric Chopin and his lover, the French writer George Sand, spent the winter of 1838/9, staying in rented rooms in the monastery.

SHARED APARTMENT

The background of the image is a photograph taken from inside a dark, stone-walled structure, looking out through a rectangular opening. The opening is framed by rough, weathered stone walls. Outside, a bright, sunny day is visible. In the immediate foreground outside the opening, there are several large, light-brown stone blocks. Beyond these, a lush green landscape with many palm trees is visible. In the distance, a city with various buildings and a few taller structures is nestled against a backdrop of rolling hills under a clear blue sky.
