# Erasmus BIP, Blended

There are also opportunities for short-term mobilities (5–30 days).

These are blended programmes, where the physical component is complemented by a virtual part.

In both cases, there must be a **bilateral agreement** with the partner institution.

Two types:

## 1. BIP (Blended Intensive Programme):

-The mobility may be organised by the Faculty (in this case it is group-based), but it can also be arranged individually.

-Individual application is simple:

<https://nki.bme.hu/ERASMUS%20BIP%20for%20Students>

-It is important to provide the BIP ID.

## 2. Blended

- Individual application.

- Can also be used for language courses. <https://nki.bme.hu/node/6240>
