Erasmus+ Study Mobility (SMS) for 2026-2027

- **Application requirements**
 - 5 universities can be indicated, min. 3 universities must be chosen!
 - Choose a host institution from the Faculty list – matching your ISCED code
 - For non-EU institutions, university-wide quotas apply.
- **The call for applications clearly specifies the criteria for awarding extra points.**
 - Evaluation carried out by the faculties (not by Erasmus Office)
- **Each applicant must check the partner institutions available for their own faculty.**
 - You may not apply to universities listed under another faculty.
- **Exception: if you are changing faculties for the mobility.**
 - New faculty will evaluate your application.
- **You may select a minimum of 3 and a maximum of 5 universities.**
 - Only those who select at least 3 institutions will be eligible for further administrative consultation.

Erasmus+ Study Mobility (SMS) for 2026-2027

- **Language requirements**
 - Meet the language requirements of the host institute (application platform will only consider language requirements assigned to host institution on platform).
 - Minimum B2 (CEFR) language exam is required (even if the partner institution requests a lower level).
- **All language exams/certificates must be uploaded to application platform!**
 - Only these documents will be taken into account and evaluated!
- **You must already possess the required language certificate before the deadline for applications!**

Erasmus+ Study Mobility (SMS) for 2026-2027

Additional information and preliminary study plan

- This year, there will be an opportunity for completing missing documents, but only for
 - a. Language exam/certificate
 - b. CV
 - c. Preliminary study plan
- If someone graduates (abszolvál) before the planned mobility and would **switch study levels for the mobility, they must choose an institution where both levels are available.**
- For the preliminary study plan, select courses that correspond to the mobility level.
- This is only a preliminary study plan; successful applicants will submit the final version at the start of the mobility

Results

- Preliminary results will be published on the platform by **July 22.**
- After this, there will be an opportunity to submit appeals till **August 5.**
- Final results will be published on the platform by **August 10.**
