

Future Innovators Scholarship Competition

COMPETITION OVERVIEW

The **Immerse Future Innovators Scholarship Competition** is a chance for students to think big, solve real-world problems, and bring their ideas to life. Whether applying individually or as a group, students will identify a problem or gap in the market, explain why it matters, and propose an innovative solution that could make a real impact.

Students can apply for one of five scholarship categories, each aligning with Immerse Education's world-class summer programmes in **leadership, business, STEM, and the humanities**.

1. Immerse Future Leaders & Creative Thinkers Scholarship

- For students passionate about leadership, business, law, or creative industries.

2. Immerse Future Engineers & Technology Pioneers Scholarship

- For future problem-solvers in engineering, AI, and emerging technologies.

3. Immerse Future Doctors & Scientists Scholarship

- For aspiring medical professionals, researchers, and environmental scientists.

4. Immerse Future Social Scientists & Changemakers Scholarship

- For students interested in human behaviour, justice, and policymaking.

5. Immerse Future Financial & Business Leaders Scholarship

- For those aiming to lead in business, finance, and global markets.

Students can work individually or in teams of up to three and submit their entry in one of the following formats:

Written Proposal (600–700 words)

A well-structured proposal explaining the problem, solution, and potential impact.

Video Submission (4–6 minutes)

A creative pitch-style video presenting their idea, solution and potential impact.

What should your submission include?

1	Identify a problem or gap in the market - What issue are you tackling?
2	Explain why it's important - Why does this problem matter, and who does it affect?
3	Propose an innovative solution - What is your idea, and how does it work?
4	Describe the impact - What change will it create, and why is it valuable?
	Bonus: Entries that demonstrate teamwork, creativity, and originality will stand out!

Awards & prizes

Each team member is expected to contribute equally, and all members of the same team will receive the same scholarship amount.	100%	1 winning submission will receive a 100% scholarship.
	75%	2 submissions will receive a 75% scholarship.
	50%	5 submissions will receive a 50% scholarship.
	10-30%	Runners-up will receive scholarships ranging from 10–30% based on judges' scores.

Grading criteria

STUDENTS MUST SELECT ONE OF THE FOLLOWING CATEGORIES:

- **Creativity & Innovation**
Originality of ideas and depth of thought
- **Clarity & Communication**
How effectively the student(s) articulate their ideas
- **Relevance to the Category**
Demonstrates interest and potential in the chosen field
- **Feasibility & Impact**
How well they justify the importance or impact of their ideas

Judging panel

A MIX OF:

- **Immerse Education tutors**
- **Guest judges (industry experts)**
