

Suzuki scholarship to Japan

A photograph of Mount Fuji, a snow-capped mountain, centered in the frame. The sky is a mix of soft orange, yellow, and light blue, suggesting a sunset or sunrise. A layer of white clouds is visible at the base of the mountain, creating a misty atmosphere. The overall scene is serene and majestic.

Introduction

2011-2015 BME, MOGI – Mechatronics engineer BSc

2015-2017 BME, MOGI – Mechatronics engineer MSc

2017-2022 BME, MOGI – Mechatronics engineer PhD

PhD Topic: Ethologically inspired robot behavior

Interests: Ethorobotics, Robot navigation and localization, Deep Learning

Suzuki scholarship: 2019. March – 2019. September

Terms and Conditions

Who can apply:

- University instructors
- Researchers
- PhD candidates
- Final year MSc students

Financial support:

- | | |
|---------------------------|----------------------------|
| - Travel expenses: | Flight tickets |
| - Living expenses: | 200.000-300.000 JPY/months |
| - Accommodation expenses: | 30.000 JPY/months |
| - Research expenses: | 100.000 JPY |

Duration:

min 6 months, max 12 months

Time schedule

Official time schedule:

Call for applications:	October
Submission deadline:	Early December
Interview:	Mid December
Final decision:	Early January
Arrival:	Before April 1 st
